About Institute

Hind Seva Parishad's Public Night Degree College is an institution with mission and vision for upliftment of poor and resource less student particularly of Sanatcruz (East), Khar (East), and Kurla (West). The Hind Seva Parishad was founded in 1981 by our founder chairman and fighter by spirit Shri. Y. S. Dube. In 1998 with cooperation of friends and supporters the Hind Seva Parishad's Public Night Degree College was established.

The vision of the institution is to provide inclusive education facility, to fulfill educational needs of non working and working students, who are in the ratio of 40.60. Attention is given to make them available scholarship and to catalyze participation in educational activities. The college is named Public Night Degree college by taking inspiration from Preamble of the Constitution "of The People, for the People and by the people" same is the ideology of our institution.

Objective of the Workshop

The workshop will provide opportunity to library professionals to grab the latest developments and associated problems in the field of Library. It will also help them to overcome issues related to the same in the area of library automation and digital library. The workshop will focus on the development of institutional repository with DSpace. It will give an opportunity to understand and practice the open source soft ware. The workshop also covers Content Management like **"Joomla"** which allows to create our own web portals. It is being adopted by organizations like Government, Academic, Corporate Sector etc.
